

Jacob Beck

Web Developer and UI/UX Designer

Based in Hanoi, Vietnam

T: 086 6013 270

E: beckwebdev@gmail.com

Objective

- To obtain an entry-level position as a Web Developer, Junior Web Developer, and/or Web Designer.
- To utilize my developer skill set and provide high quality, responsive, and well-optimized websites to clients and management.

Education

- I'm a Self-Taught Web Developer, with around two thousand hours of learning through various methods.
- Most recently, I completed the FreeCodeCamp Javascript Data Structures and Algorithms Certification, equating to approximately three hundred hours of coursework and JavaScript knowledge.

Work History

August 2018 - Present // Hanoi, Vietnam

Freelance Web Developer

jBeck Web Solutions

- Building websites for various clients, local and global, in all business niches and job markets.
- Providing excellent SEO as well as optimization in terms of mobile-friendly and fast websites.
